FAILURE LIST.

The following is the list of failures in the FIRST EXAMINATION IN LAW held in April 1913:—

Jurisprudence a	The Law of Torts d
Roman Law b	Delinquency in total number of marks .. e
The Law of Contracts c	

[Candidates who were absent from part of the examination are regarded having failed in the subject from which they absented themselves.]

If candidates desire their B.A. diplomas and F.L. law certificates to be returned to them at an address different from that given in their application forms, they should intimate their new addresses to the Registrar within one month after the publication of the results; if no such intimation is received, the diplomas and certificates will be returned to the addresses given in the application forms.]

(1) The rest of the Presidency with the exception of the Nagai District and the Wundah taluk, Arango, Yehowani and the Arapah valley of the Malabar district.

(2) The Bangalore State.

2. Two-tapping licenses shall be issued on the application—

- (a) of licensed taluk shopkeepers in areas in which the taluk shopkeepers add by auction or licensed separately;
- (b) of persons having the exclusive privilege of manufacture and supply of coconut toddy, such as British liquor;
- (c) of licensees who on application in the South Canara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is counter-signed or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;
- (d) of free owners generally, and of specially licensed persons in the Gudalur district, and in the Narasipur, Haraswara, Tenkasi, Eluru and Tenangalore taluks of the Mysore district, for not more than five trees in the case of free owners and three trees in the case of specially licensed persons, for the drawing of toddy required for domestic consumption, but not for sale; and
- (e) of taluk shopkeepers or others in the Mysore territory and in the Bangalore State desiring to obtain toddy from trees growing in British territory.

(f) of taluk shopkeepers in the Pudukottai State desiring to obtain toddy from trees in British Territory provided that the application is certified as counter-signed by the Salt and Abkiss Inspectors of the State.

In cases (a), (b), (d), and (e) the license may be issued in the name of the applicant himself or of his partner, and in case (f) in the name of the applicant only.

3. Persons wishing to apply for the grant of two-tapping licenses must first pay the fees for the establishment thereof, as the same may be determined on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Sub treasury. District officers may also empower heads of taluqs to receive payments on account of licenses and to grant receipts therefor.

4. (1) Applications for the grant of two-tapping licenses must be made in the prescribed form to the Inspector, Salt, Abkiss and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkiss and Customs Department, and from all Talukdars and Deputy Talukdars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped, those put in by other persons will have a cost-free stamp of one anna. In any case, if the fee has been paid into a treasury, the applicant is not under a certificate of payment from the treasury officer, if payment has been made to a village head, the receipt must accompany the application. Licensees and taluk shopkeepers applying for trees in British territory should pay the fee into the Mysore Auditor's treasury and should present before the British Talukdar or Deputy Talukdar concerned along with the application in form T. 7. 4, the receipt with the Auditor's certificate at the foot to the effect that the applicant is a person entitled to take out a two-tapping license in Mysore. The fee for should be estimated at the higher rate if the trees are not the same on the two sides of the frontier.

(2) Applications for two-tapping licenses in the South Canara district should be counter-signed by the owner of the trees intended to be worked at least of his name.

5. Taluk shopkeepers in taluk adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops at payment of the whole of the tax in one month—must use the British treasuries and subject to such conditions depending permits, etc., as may be prescribed in this behalf. The rate of license to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tax on a tree for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the British and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application at license or shopkeepers in the other do not prevent the surrender of trees in any application area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other authorized reasons and the mere payment of license into a British or Mysore treasury does not entitle an applicant to tapping trees in the area concerned.

6. Taluk shopkeepers in British territory adjoining the Bangalore State will be allowed to tap trees in the State on payment of license, the rate being the same as in the Kaveri district. Similarly those in the Bangalore State will be allowed to tap trees in the adjoining British territory.

7. Persons applying for the issue of licenses will be responsible to Government for all sums payable as tax for an acre of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer working in such a petty officer and for the issue of the license. Applicants for trees shall pay out to the marking officer, when required by the latter to do so, the fees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be held to be forfeited at the Collector's discretion.

(2) In the Gudalur district and in the Narasipur, Haraswara, Tenkasi, Eluru and Tenangalore taluks of the Mysore district, trees intended for the drawing of licensed toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate trees or blocks.

9. Collector may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. No trees shall be tapped, nor shall taluk to draw any taluk tree, nor shall any tap be attached to any taluk tree, until the tree has been marked by the proper officer.

11. For palm-trees and date trees in the Presidency and for Indian (Adras) (Wallo) trees in South Canara, two-tapping licenses shall be issued, that is, in force from 1st October or any subsequent date in the 31st September immediately following, and for coconut and mango trees they shall be half-yearly, that is, in force from 1st October or any subsequent date in the 31st March immediately

In exercise of the powers conferred by section 13 of the Sea Customs Act (VIII of 1875) the Chief Customs authority in Jersey pleased to appoint the undermentioned premises at the port of Cascais to be a public warehouse wherein dutiable goods may be deposited without payment of duty on the first importation thereof.

[PART II. cont.]

SALT, ANKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 12, dated 12th July 1912.

NOTICE OF SALE OF ANKARI ENCLOSURES.

Notice is hereby given that the number of forms and independent shops appointed for the sale of liquor during the twelve months beginning 1st October 1912 and ending 30th September 1913 and the land limits specified for them, will be notified by Collection in their District divisions, and that the privileges of sale therein will be put up as public notices on the date, at the places and by the officers to be notified by Collection subject to the conditions hereinafter set forth.

Conditions of Ankari Sale.

I. The District in which independent toddy shops and ankeri forms, respectively, will be sold are specified below:—

Independent toddy shops.

Ankeri forms.

Throughout the Presidency including the Ranganagallu State. The Attampall valley, and including the Nigiri division and the Wynad taluk and the Attampall valley in the Malabar District and the Agency towns.

A separate notification will be issued regarding operations under the tree-tax system. Collection will issue orders regarding the limits where special systems are in force.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from every person wishing to bid for any specified shop or any large number of shops. This will be reduced to Rs. 25 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 10 in the case of bidders for single small shops. In the case of forms the bid will be taken on an ordinary deposit. This will be reduced to Rs. 25 and to Rs. 10 in the case of bidders for forms of an aggregate monthly rental of not more than Rs. 25 and to Rs. 10 in the case of bidders for single small forms. In the Kannur District, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 from bidders for toddy shops. In the South Canara District, the selling officer may at their discretion reduce the deposit to Rs. 5 for shops whose average monthly rental does not exceed Rs. 5.

IV. The shops or forms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. If an officer will be fixed at the discretion of the Collector. The reserve price stated by the collector on the shops or forms will not be published, but the average of the previous five years' rentals will be notified by the Collector, whenever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the spirit Act as to render him undesirable as a holder of a license or on the ground that he is inclined or to prevent inconvenience to the detriment of Government interests or for any other valid reason. He may also refuse any bid which

he may consider to be purely speculative, after recording his reasons for doing so. Village officers will not be allowed to bid for, or to have any direct interest in shops for the sale of intoxicants.

VII. The shops and farms will be knocked down to the highest bidder, but the sale will be subject to formal notification of the Collector, who shall be at liberty to accept or repurchase bid in his discretion. Such formal notification will be transmitted to an auctioneer of the bid, unless invited by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any other appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, or the shop or farm resold at his discretion.

IX. At the close of each day's sale, the deposits made by the successful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at any time, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent in addition to the deposit made under clause III for each shop or farm. When the actual deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the farm or shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the debtor will be delivered from holding again for the same or for any other farm or shop.

X. Persons to whom farms and shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit such further sum as with the former deposits will make up two months' rent, to be paid within ten days from the date of commencement of the Collector's acceptance of the bid, and shall, without unnecessary delay execute the necessary engagements and take out licenses as the conditions hereafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the actual deposit exceed two months' rent the sum will be refunded unless the purchaser is required to deposit twice that sum under clause XI (c).

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rent in addition to the sum provided in clause X, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (within 24, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount required exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the regulations under clause XI (a) or to execute engagements and take out licenses as directed, the deposits already made may be forfeited and the shop or farm resold under the order of the District Officer on the date notified by the Collector or otherwise disposed of by the latter officer.

XIII. Revenue charged under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the sale. In the latter case the forfeited deposits will be deducted from the loss arising from the sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an amount of land revenue. Should, however, the forfeited deposits be greater than the loss he sustains, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such default results in loss to Government or compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for violation of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, or the sum may be, will be taken as security for the due performance of the conditions of the license. If the conditions are not observed, it may be applied towards the last instalment of the debt payable by the holder.
